

Chem 130
Proficiency Quiz 1
E-Class and Introduction to Embalming Preparation Terms

Name (Print) _____

Date (Print) _____

Web Browser Used (Internet Explorer, Netscape, Mozilla, AOL, etc) (Print) _____

Complete all the questions before turning in the quiz. All of the Questions 1-10 must be answered correctly to pass the quiz. At least 6 of the 10 terms in Question 11 must be defined correctly to pass the quiz. Please print all answers.

1. What document should you consult about the course before checking with the instructor about a class question? (Hint: It starts with Syll) _____
2. When are the only times handouts are available in class? _____
3. Will the instructor drop you from the class if you just stop attending? Yes or No
4. What is the best way to contact the instructor? _____
5. Where are quiz and exam scores posted? _____
6. Can you pass the class without passing all of the proficiency quizzes? Yes or No
How many times will each quiz be offered (see the Quiz Overview)? _____
7. What is the only situation for which make-up exams will be given? _____

8. Do you have to do the problem sets as part of the homework? Yes or No
Are they graded? Yes or No
Might they be graded at some point? Yes or No
9. Where is URL for the website where the course calendar, problem sets, exam answer keys, links for the units and much other useful information about the course is posted?

10. Print out a copy of the iMail that I sent you at the beginning of the semester and attach it to this paper. On that page also write down the full URL for the course calendar as found on the www.chemistreet.net website.

Question 11 is on the reverse side of this paper!

Chem 130
Proficiency Quiz 1
E-Class and Introduction to Embalming Preparation Terms

11. Skim Chapter 24 in the text. In your own words, give the definitions for the following terms (write the definitions on this paper). These should be “big picture” definitions. Don’t worry about all of the detail about how each works—that’s what this class is about! Just describe their general purpose in an embalming preparation. (10 points)

Term	Definition (Print)
Preservative	
Modifying Agent	
Germicide	
Humectant	
Anticoagulant	
Surfactant	
Deodorant	
Vehicle	
Jaundice fluid	
Hardening compound
